1. Background

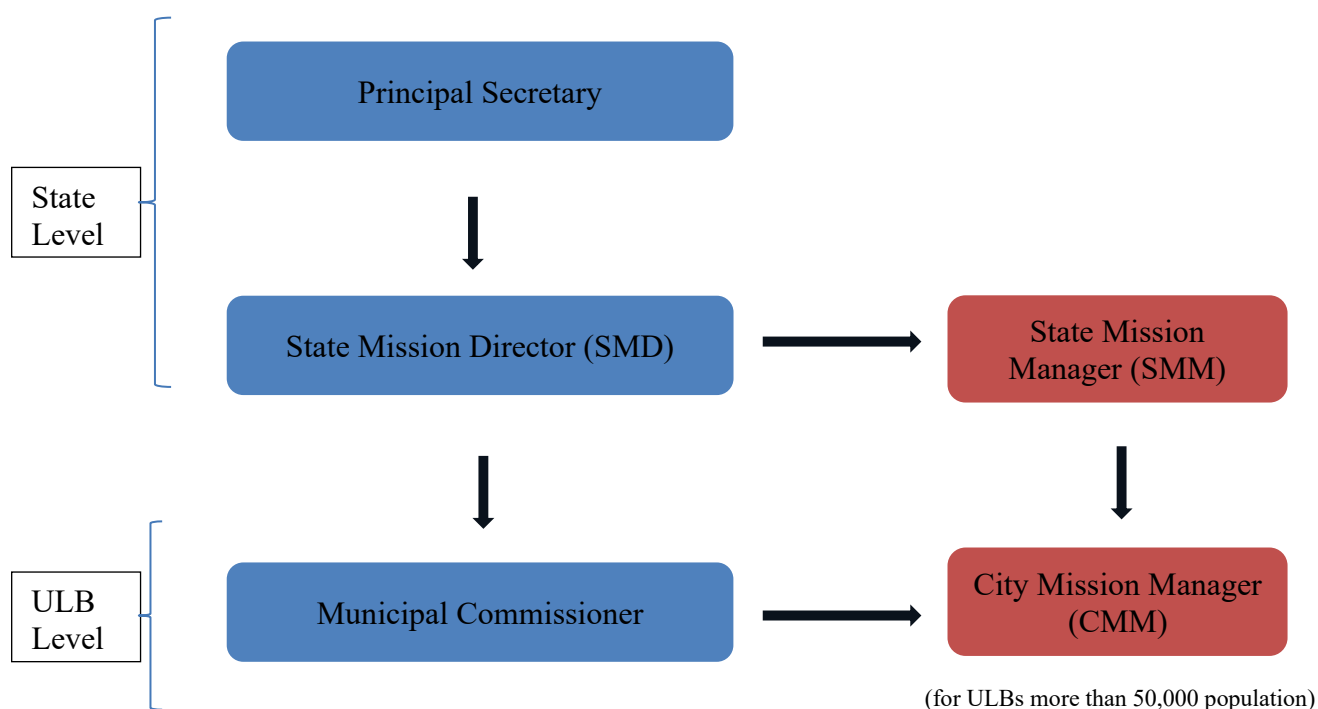

The Prime Minister Street Vendor's AtmaNirbhar Nidhi (PM SVANidhi) Scheme aims to provide affordable working capital loans to street vendors and to promote their economic empowerment. Effective implementation of the scheme at the Urban Local Body (ULB) level is critical to achieve its objectives of financial inclusion, digital enablement, recognition, and socio-economic upliftment of street vendors.

Given the multi-stakeholder nature of the scheme—requiring coordination between ULBs, lending institutions, various ministries/departments, digital payment aggregators (DPAs) and other partners—human resource capacity at the grassroots level plays a pivotal role. Adequate resources, with clearly defined roles and responsibilities, are crucial for effective outreach, robust data management, and continuous progress monitoring.

These guidelines for Engagement of Human Resources provide guidance for provisioning and managing human resources at the State/UT and ULB level for smooth and effective implementation of PM SVANidhi scheme. However, convergence is a key component under the scheme, and it is envisaged that resources engaged through other missions of GoI should be leveraged wherever feasible to ensure maximum impact on the ground.

2. Institutional Mechanism

The scheme envisages the establishment of a human resource structure at the State/UT and ULB level to ensure effective implementation of the scheme.

The human resource structure at the State/UT level will follow a two-tier model:

- a) State/UT Level- State Mission Manager (SMM)
- b) ULB Level- City Mission Manager (CMM)

Additionally, **Resource Persons (RPs)** may be engaged on performance incentive basis to provide hand-holding support to the street vendors at the grassroots level in all ULBs, including those with less than 50,000 population. (the details are in **Annexure 1**)

2.1 Human Resource (HR) Structure

Each State/UT may engage **one State Mission Manager (SMM)** at State/UT level and **one City Mission Manager (CMM)** at the ULB level (ULBs with a population above 50,000, as per Census 2011) under the scheme.

The State/UT and ULB shall engage human resources on contractual basis only for the duration scheme, i.e. up to 31st March 2030, unless extended. The Ministry of Housing & Urban Affairs (MoHUA) shall have no liability for their continuation beyond the scheme period.
