Purpose, Mission & Value

National Payments Corporation of India (NPCI), an umbrella organisation for operating retail payments and settlement systems in India, is an initiative of Reserve Bank of India (RBI) and Indian Banks' Association (IBA) under the provisions of the Payment and Settlement Systems Act, 2007, for creating a robust Payment & Settlement Infrastructure in India.

Considering the utility nature of the objects of NPCI, it has been incorporated as a “Not for Profit” Company under the provisions of Section 25 of Companies Act 1956 (now Section 8 of Companies Act 2013), with an intention to provide infrastructure to the entire Banking system in India for physical as well as electronic payment and settlement systems. The Company is focused on bringing innovations in the retail payment systems through the use of technology for achieving greater efficiency in operations and widening the reach of payment systems.

The ten core promoter banks are State Bank of India, Punjab National Bank, Canara Bank, Bank of Baroda, Union Bank of India, Bank of India, ICICI Bank Limited, HDFC Bank Limited, Citibank N. A. and HSBC. In 2016 the shareholding was broad-based to 56 member banks to include more banks representing all sectors. In 2020, new entities regulated by RBI were inducted, consisting of Payment Service Operators, payment banks, Small Finance Banks, etc. The shares were allotted pursuant to issuance of equity shares on private placement basis in compliance to the applicable provisions of the Companies Act, 2013.

RuPay is an Indigenously developed Payment System – designed to meet the expectation and needs of the Indian consumer, banks and merchant eco-system. RuPay supports the issuance of debit, credit and prepaid cards by banks in India and thereby supporting the growth of retail electronic payments in India.

RuPay is well poised to explore innovative payment opportunities such as Contactless – offline and online to drive adoption of low value payments. All RuPay Cards will now have the functionality of NCMC which can enable low value contactless payments (like transit, toll, parking, retail) using Offline technology.

The alliances with international network partners (Discover Financial Services, Japan Credit Bureau and China Union Pay) provides valuable access to global acceptance footprint and offer world class payment solutions to RuPay cardholders.

Background

DPSS at its meeting held on September 24, 2009 had given an in-principle approval to issue authorization to NPCI for operating various retail payment systems in the country and granted Certificate of Authorization for operation of National Financial Switch (NFS) ATM Network with effect from October 15, 2009. NPCI had deputed its officials to IDRBT Hyderabad and had taken over NFS operations on December 14, 2009. Membership regulations and rules had been framed for enrolling all banks in the country as members. This was done so that when the nation-wide payment systems are launched, all would get included on a standardized platform.

A Technical Advisory Committee was constituted with two eminent professors of IIT,

Mumbai. Prof. N.L. Sarda is the Chairman and Prof. G. Sivakumar is the Co-Chairman of the Technical Advisory Committee. Members in these committees are from banks at the level of Deputy General Manager and Asst. General Manager.
