UPI-PIN (UPI Personal Identification Number) is a 4-6 digit pass code you create/set during first time registration with this App. You have to enter this UPI-PIN to authorize all bank transactions. If you have already set up an UPI-PIN with other UPI Apps you can use the same on BHIM. (Note: Banks issued MPIN is different from the UPI UPI-PIN, please generate a new UPI-PIN in the BHIM app)

Note: Please do not share your UPI-PIN with anyone. BHIM does not store or read your

IPO >	UPI-PIN details and your bank's customer support will never ask for it.
